## GIVING... OUR SPIRITUAL RESPONSIBILITY

By Deacon John Burgess.

Since our marriage in 1957, it has been an expected part of our lives to give back to God what He has abundantly given to us. After all, everything we have belongs to God, and we are merely the caretakers while here on earth.

Tithing is our gift to God, and one way of showing spiritual responsibility. It is also a way to worship God. It is not until we have given back to God what is His, that we realize the blessings and rewards promised to us. God does not promise wealth to everyone who tithes, but He does promise to open the windows of Heaven and pour out a blessing beyond measure. Also, this does not mean that we will always be blessed materially, as God has the ultimate plan for our lives. Ever since we made God our partner in life, marriage, and business, He has rewarded us in countless ways. We realize that we could never repay God for everything He has done for us in our lives, and what He has for our future. Tithing is a way I can show my love for Christ!

## HAPPY THANKSGIVING TO YOU

**“Count your blessings instead of your crosses;  
 Count your gains instead of your losses.  
 Count your joys instead of your woes;  
 Count your friends instead of your foes.  
 Count your smiles instead of your tears;  
 Count your courage instead of your fears.  
 Count your full years instead of your lean;  
 Count your kind deeds instead of your mean.  
 Count your health instead of your wealth;  
 Count on God instead of yourself.”**

Happy Thanksgiving from your House of Worship Family!
